Q: Can you request for a course anywhere in Alberta?

A: Yes! However, it depends on our course conductors schedules, and is on a first come first serve basis. We can't guarantee that we will always have availability. Also, depending on the location we will run a cost analysis as we are a small Non-Profit.

Q: Are there other costs additional to the Participant Fee and Course Conductor Fee?

A: No. Anything outside of a 1-hour radius of Edmonton may require us to book rental vehicles, flights, hotels, or courier supplies to the locations. As these items can be costly, we will run a cost analysis of the viability of hosting a course for you.

Q: What does the group/organization requesting the course need to supply?

A: We require that you supply an adequate space (room to move), a projector for a power-point presentation, and provide athletic tables/massage tables to do taping.

Q: Are there specific days when the courses can be held?

A: We typically only hold courses on weekends, as our Course Conductors have full-time jobs outside of being a course conductor for SMCA.

- Ex: A 2-Day Sport Trainer Course will have the Athletic Injury Management taught the first day (Saturday) and have the Sport Taping and Strapping taught the second day (Sunday)

Q: Is there flexibility to when these courses can be held?

A: Absolutely, we will work with your request to try and make specific dates work. Again, please be mindful that we are working around Course Conductors schedules and working on a first come first serve basis.

Q: There are some participants in our group who only want to take one specific day, and some that want to take both days. Can we still host a course?

A: Yes, we work with all groups/organizations on a case by case basis. If you know how many people want to attend each course we can put together a quote for you.

Q: How can we pay for the participant fees and course conductor fee?

A: We can either invoice the group/organization on one invoice. Or can invoice on an individual basis.

Q: I have additional questions, where can I ask them?

A: Please submit a contact form: www.sportmedab.ca/contact-us
